**Re: Applications of Duke Energy Progress, LLC and Duke Energy Carolinas, LLC
for Approval of Smart Saver Solar as Energy Efficiency Program
Docket Numbers: 2021-143-E & 2021-144-E**

Dear Ms. Boyd:

On August 20, 2021, Duke Energy Progress, LLC and Duke Energy Carolinas, LLC (the "Companies") filed with the Commission direct testimony related to the Companies' Applications for approval of their Smart Saver Solar as Energy Efficiency Programs, which included testimony and exhibits for the Companies' witness Timothy Duff.

Enclosed for filing, please find the revised direct testimony and exhibits of Timothy Duff, which reflects the removal of the acronym "PV" from the question on page 5, lines 17-18. No other changes have been made to the pre-filed testimony or the exhibits. Please replace the previously filed version of Timothy Duff's direct testimony with the attached revised version.

By copy of this letter, the same is being served on the parties of record.

Kind regards,

Sam Wellborn
